MASTERPIECE™

ENDURING ELEGANCE. TIMELESS TRADITION.

A Look That's Tough to Resist

Raynor Masterpiece™ combines all the features homeowners want. Its eye-catching, deeply embossed woodgrain texture adds instant curb appeal to any home, while its two-sided steel design keeps your home safe and secure. Best of all, our EnduraCote™ Hardware System is standard, so the entire package – door and hardware – is warranted "For As Long As You Own Your Home."

Designed to Weather the Elements

Masterpiece has heavy-duty, hot-dipped, galvanized steel sections with an epoxy primer and a baked-on polyester finish to resist rust and denting. To assure durable, long-lasting performance, standard features include:

- 1 EnduraCote Hardware System provides a clean, finished look for track
- 2 Nylon-encased, steel wheel, ball bearing rollers, offering smoother, quieter operation
- 3 Painted-white endstiles
- 4 Vinyl thermal break between interior and exterior skins
- 5 Section joint seal to prevent weather infiltration
- 6 Bottom weatherseal
- 7 Adjustable track for precise fit
- 8 Optional perimeter weatherseal to seal door along top and sides
- 9 Black, powdercoat-painted springs for a clean, finished look

2" Thick Door Sections

Masterpiece's 2" thick door sections are made from high-strength steel, featuring:

|--------------------|--------------------------|
| 1 Baked-on finish | 4 High-strength steel |
| 2 Epoxy primer | 5 Polystyrene insulation |
| 3 Galvanized layer | 6 High-strength steel |

ARMOR FINISH™

PROTECTION FOR THE HARSHTEST ENVIRONMENTS

Protection Against Rust

For homes in a coastal environment, Raynor has created ArmorFinish for Masterpiece doors. Featuring a durable, fade-resistant laminate film, ArmorFinish serves as a protective barrier for your Masterpiece door from harsh winds, rain, ocean spray, and sand. Choosing ArmorFinish for your Masterpiece door gives you the ultimate in protection from the elements, while providing the second-to-none dependability that only Masterpiece can deliver.
